### For Clerk.

We are authorized to announce Capt. H. R. VANDIVER as a candidate for Clerk of the Court at the next election.

The friends of Col. F. A. HOKE announce him a candidate for Clerk of the Court for Ander son District at the next election.

The many friends of ELIJAH WEBB, Esc. would announce him as a candidate for Clerk of the Court for Anderson District at the next election.

To the Voters of Anderson District :

"MANY FRIENDS" have announced my name as a candidate for Clerk of the Court at the ensuing election, and it is due to them, as well as to the voters of the District generally, that I should make a response to the announcement. At the close of my last canvass, I stated publicly that I did not expect to be again a candidate, and my purpose remained unshaken until December last, when my situation was in many respects greatly changedowing to my misfortune, which is known to the District.

I was born and reared in this District, and am, perhaps, the oldest citizen of this town-have always resided here, and hope that my bones may repose in her soil. I have received many favors from my fellow-citizens, and have tried to discharge | Given under my hand and the seal of the State, at the trust they have so long counded to me with courtesy, zeal and strict fidelity. My past services and performance in the office is the best guarantee I can offer the District for a faithful discharge of its duties in the future. Many voters, therefore, and my friends generally, are authorized to use my name as a candidate for re-election.

ELIJAH WEBB.

(BOOTH'S PATENT.) THE subscribers call the attention of the public

to the above Sewing Machines. These machines are reliable, simple, cheap and durable, and well adapted to sewing different kinds of cloth-from the finest fabric to the coarsest plantation goods. It is wonderful the amount of labor they Ladies who have tried them, are completely fascinated with the rapidity and neatness with which their work is done. These Machines, now offered to the public of Anderson and Pickens Districts by the undersigned, through their regular agent, Mr. John Hammoud, are thought to be superior to anything of the kind yet offered in this market, when you take into account the price, the simplicity of their machinery, and the case of learning to sew on them. The learning to sew is often difficult, but on these machines it is thought to be less so then on any machine the subscribers have seen. Price of Machine, \$50.00; Hemmer, \$5,00. The Machine may be taken either with or without the Hemmer, as the purchaser may desire.
